Dear Mr. Harry Wolff:

This email is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order, Docket No. SDWA-08-2021-0013, issued to you, as owner of the Roberto's Café public water system, on February 26, 2021. The EPA has determined that you have complied with the requirements of the Order and therefore we will close it at this time.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or civil penalties.

If you have any questions about this matter, please call Nathan Hicks at 303-312-6546. Thank you for resolving these issues.”

Best regards,

Nathan Hicks B.S., M.S.
