Re: Battelle Memorial Institute (Columbus, Ohio)
Termination of Consent Agreement and Final Order (Docket No. TSCA-05-2019-0015)

Dear Ms. Lynn:

The U.S. Environmental Protection Agency has completed its review of the Supplemental Environmental Project (SEP) Completion Report submitted by Battelle Memorial Institute (Battelle) on November 6, 2020 pursuant to paragraph 33 of the Consent Agreement and Final Order (CAFO).¹ The SEP required, among other things, that Battelle conduct air monitoring for PCBs within 16 buildings at Battelle's King Avenue Campus. This letter serves to notify you that EPA has determined that Battelle has satisfactorily completed their obligations under the CAFO, which include completion of the SEP and payment of the civil penalty, and therefore the CAFO is terminated by the terms of paragraph 59.

Please feel free to contact Robert M. Peachey, Associate Regional Counsel, at (312) 353.4510 if you have any questions regarding this letter. Thank you for your assistance in resolving this matter.

Sincerely,

Morris, Julie Digitally signed by Morris,
