Re: Daybrook Development Company/ Yost Heritage, Inc.
EPA Docket # CWA-03-2014-0245DW

Dear Messrs. Yost:

The U.S. Environmental Protection Agency (“EPA”) has completed its review of the Annual Monitoring Report for the Daybrook Development Company/Yost Heritage, Inc. Site, which is located in Fairview, West Virginia. The Annual Monitoring Report was submitted by Civil & Environmental Consultants, Inc. on behalf of Daybrook Development Company/ Yost Heritage, Inc. pursuant to EPA’s Administrative Order Docket# CWA-03-2014-0245DW. The Annual Monitoring Report indicates that the stream restoration activities are meeting the performance standards set forward in the restoration plan, and requests release from monitoring. Accordingly, EPA agrees pursuant to CWA-03-2014-0245DW that the performance measures for restoration of the Daybrook Development Company/ Yost Heritage, Inc. Site have been achieved, no further monitoring is required, and the site is released from further review.

Furthermore, based upon this submission, EPA has determined that Daybrook Development Company/ Yost Heritage, Inc. has met the requirements of the aforementioned Order and considers EPA Docket# CWA-03-2014-0245DW to be closed.
