Re: Administrative Order Closure, Rock Creek Hollow LDS Church Campground Public
Water System, PWS ID #5601438, Docket No. **SDWA-08-2015-0035**

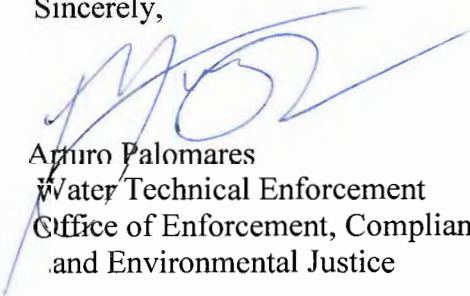

Dear Madame/Sir:

This letter is to inform you of the EPA's decision to close the Administrative Order (Order) issued to Corporation of the Presiding Bishop of the Church of Jesus Christ of the Latter Day Saints (Respondent) on August 10, 2015, regarding the Rock Creek Hollow LDS Church Campground Public Water System. The EPA has determined the Respondent has complied with the requirements of the Order and therefore we will close it at this time.

Please be aware the Respondent is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$53,907 (as adjusted for inflation) per day of violation and/or a court injunction ordering compliance. 42 U.S.C. § 300g-3; 40 C.F.R. part 19; 81 Fed. Reg. 43091 (July 1, 2016).

Thank you for resolving these issues. If the Respondent has any questions regarding this matter, please contact Metea Wright at (303) 312-6023.

Sincerely,
