2. Appellants' seek review of a Default Order and Initial Decision, issued by the Honorable Marcy A. Toney on November 23, 2011.

9. This motion has not been made for a vexatious purpose or undue delay.

10. Co-Respondents below, Dudley B. Burrell and The Dudley B. Burrell Trust have no objections to this motion.

11. Appellants lack knowledge as to whether the complainant below would object to this motion.

Wherefore, appellants request that the Environmental Appeals Board extend time for appellants to file their Notice of Appeal, Appellants' Brief and any other related pleadings up to, and including, February 1, 2012.

Respectfully submitted,
