**EXPEDITED SETTLEMENT AGREEMENT AND FINAL ORDER**

1. The U.S. Environmental Protection Agency, Region 6 (“EPA”) is authorized to enter into this Expedited Settlement Agreement (“Agreement”) pursuant to Section 3008 of the Resource Conservation and Recovery Act (“RCRA”), 42 U.S.C. § 6928 and 40 C.F.R. § 22.13(b).

2. By copy of this letter, EPA is providing the state of Louisiana with notice of the referenced violations of Subtitle C of RCRA as required by Section 3008(a)(2), 42 U.S.C. § 6928(a)(2).

3. RedGuard, LLC (“RG” or “Respondent”) is the owner or operator of the facility at 4817 South Lewis Street, New Iberia, LA 70560 (the “Facility”), EPA ID LAR000024828. EPA conducted an offsite Compliance Inspection of the Facility on February 13, 2026. EPA alleges that Respondent violated the following requirements of the RCRA and the EPA approved and authorized Louisiana hazardous waste management programs:

**a. Notification Requirements**

Pursuant to Section 3010(a) of RCRA, 42 U.S.C. § 6930(a), any person generating a characteristic or listed hazardous waste shall file with the Administrator or

authorized State a notification stating the location and general description of such activity and the identified characteristic or listed hazardous wastes handled by such person. No identified or listed hazardous waste subject to this subchapter may be transported, treated, stored, or disposed of unless notification has been given as required by Section 3010(a) of RCRA, 42 U.S.C. § 6930(a). Respondent did not file with the Administrator a subsequent notification to accurately state the general description of its hazardous waste activities and its generation and management of hazardous waste during 2022, 2023 and 2024 in violation of Section 3010(a) of RCRA, 42 U.S.C. § 6930(a). At all times relevant to this order, Respondent failed to comply with its notification requirements, in violation of Section 3010(a) of RCRA, 42 U.S.C. § 6930(a).

**b. Failure to Operate within Its Stated Generator Status**

EPA determined that Respondent either operated as a very small quantity generator (“VSQG”) and/or considered itself to be a VSQG. Pursuant to LAC 33:V.1009, [40 C.F.R. § 262.14], as long as a VSQG generator complies with the applicable requirements under LAC 33:V.1009, [40 C.F.R. § 262.14] the generator’s hazardous waste is not subject to regulation under LAC 33:V.Subpart 1 (except LAC 33:V.1003-1009), 40 C.F.R. Parts 262 through 268 and 270 of this chapter. On one or more occasions in years 2022, 2023, and 2024 Respondent exceeded the VSQG status and for the period such hazardous waste remained onsite, operated as a small quantity generator (“SQG”) in violation of one or more of the requirements for an SQG under 40 C.F.R. Parts 262 through 268 and

270. At all times relevant to this order, Respondent failed to comply with the SQG requirements, in violation of 40 C.F.R. Parts 262 through 268 and 270.

4. EPA and Respondent agree that settlement of this matter for a civil penalty of \$7,500 is in the public interest.

5. In signing this Agreement, Respondent: (1) admits that Respondent is subject to RCRA and its implementing regulations; (2) admits that EPA has jurisdiction over Respondent and Respondent's conduct as alleged herein; (3) neither admits nor denies the factual allegations contained herein; (4) consents to the assessment of this penalty; (5) waives the opportunity for a hearing to contest any issue of fact or law set forth herein; (6) waives its right to appeal the Final Order accompanying this Agreement pursuant to Section 3008(b) of RCRA, 42 U.S.C. § 6928(b); and (7) consents to electronic service of the filed ESA.

6. Within thirty (30) calendar days of the effective date of this Agreement, Respondent must pay the civil penalty of \$7,500 using any method provided on the following website: <https://www.epa.gov/financial/makepayment>. Such payment shall identify Respondent by name and include the docket number assigned to this Agreement by the Regional Hearing Clerk.

7. Within 24 hours of payment, email proof of payment (e.g., confirmation of credit card or debit card payment, or confirmation of wire or automated clearinghouse transfer, and any other information required to demonstrate that payment has been made according to EPA requirements), including Respondent's name, complete address, and docket number to the following:
