Re: In the Matter of CT Transfer Company LLC
Docket No. TSCA-01-2009-0052

Dear Ms. Santiago:

CT Transfer LLC requests a 30 day extension of time in which to answer the complaint in the referenced matter, and to allow pre-answer discussions with EPA. The reason for the request is that it has taken significantly longer than anticipated to secure documentation to support the company's request for a reduction in any penalty based upon the inability of the company to pay the proposed fines, and so that EPA has sufficient time to evaluate that data, prior to the answer to the complaint being due.

Mr. William Chin, counsel for EPA in this matter, has indicated that he is not opposed to the extension.

Thank you for your attention to this matter.

Sincerely,

William C. Spencer
