IN THE MATTER OF:

Lafourche Parrish,

Docket No. CWA-06-2007-2725

COMPLAINANT'S MOTION FOR EXTENSION OF TIME FOR REBUTTAL PREHEARING EXCHANGE

COMES NOW Complainant and files this Motion for Extension of Time because Respondent still has four (4) documents referenced in its Prehearing Exchange which it has not yet been able to provide to the Complainant; namely two deposition transcripts and two reports of Respondent's listed expert witnesses. According to the Joint Motion for Extension of Time to Continue Settlement Discussions, the due date for Complainant's rebuttal prehearing exchange, if necessary, would be August 12, 2008. Without the yet to be provided documents, Complainant is not able to determine whether a rebuttal prehearing exchange is needed, or what other documents or information it may need to exchange. Therefore, Complainant moves the Judge to grant the Complainant fifteen (15) days after all of the four documents described above have been received by the Complainant from the Respondent. The Complainant will provide the Judge with the date all documents have been received.

Counsel for Complainant conferred with counsel for Respondent on this matter who confirmed that Respondent does not oppose this motion.

Respectfully submitted,

David Gillespie
Assistant Regional Counsel
EPA Region 6
