REGIONAL HEARING
CLERK**

**STATUS REPORT AND JOINT MOTION REQUESTING STAY
IN THE PROCEEDINGS**

COMES NOW Complainant, the U.S. Environmental Protection Agency (“EPA” or “Complainant”) and Respondent, Laser Products, Inc. (“Laser” or “Respondent”), through the undersigned attorneys, and respectfully allege, pray and request as follows:

1. EPA and Laser (herein collectively referred to as “the Parties”) have been participating in the Alternative Dispute Resolution (ADR) process offered by the Office of Administrative Law Judges. This process reached its end on March 30, 2012, as expressed by Hon. Judge Gunning, who served as a neutral in the proceedings.

2. Since the Parties have agreed in principle to the settlement of the case, and are now focused on furthering the development of a mutually acceptable consent agreement and final order (“CA/FO”), our neutral Judge recommended the immediate filing of a Status Report and the request of a stay in the proceedings of the case.

3. The parties request that all matters relating to this case be stayed for a period of sixty (60) days from the date of this Motion so the Parties may complete the CA/FO.

4. Specifically, the Parties request this Honorable Court to refrain from issuing a Pre-Hearing Order (“PHO”) until after the sixty (60) days stay has elapsed.

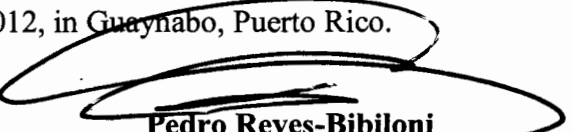

5. The Parties make this request not for the purpose of undue delay but to promote justice and judicial economy.

6. In light of the above, and that there is no undue delay, bad faith or dilatory motive, the Parties request the Honorable Chief Administrative Law Judge to grant a stay in the proceedings.

Respectfully submitted today, April 2, 2012, in Guaynabo, Puerto Rico.
