Docket No. CWA-02-2016-3312

SPDES Permit No. NYA000237

Proceeding pursuant to Section 309(g) of
the Clean Water Act, 33 U.S.C. § 1319(g)

I. PRELIMINARY STATEMENT

Complainant, the United States Environmental Protection Agency (“EPA”), having filed the Complaint referenced herein on January 26, 2016, against Respondents Scott Glezen and Glezen Farms, LLC; and

Complainant and Respondents having agreed that settlement of this matter is in the public interest, and that entry of this Consent Agreement and Final Order (“CA/FO”) without further litigation is the most appropriate means of resolving this matter;

NOW, THEREFORE, before the taking of any testimony, upon the pleadings, without adjudication of any issue of fact or law, and upon consent and agreement of the Parties, it is hereby Ordered and Adjudged as follows:

II. PROCEDURAL AND FACTUAL BACKGROUND

1. EPA initiated the instant proceeding against Respondents for the assessment of a civil penalty, pursuant to Section 309(g) of the Clean Water Act (“CWA” or “Act”), 33 U.S.C. § 1319(g).
2. The Complaint alleges that Respondents are liable for two distinct violations of the Clean Water Act in the operation of its concentrated animal feeding operation at 1024 Caldwell Hill Road, in Lisle, New York, each of which continued for approximately 40 days, and which resulted in, among other things, the unlawful discharge of pollutants into waters of the United States, in violation of Sections 301 and 402 of the Act, 33 U.S.C. § 1311 and § 1342, respectively, and proposes to assess a civil penalty of twenty thousand dollars (\$20,000).
4. Respondents have not filed an Answer.
5. Respondents stipulate that the EPA has jurisdiction over the subject matter alleged in this Complaint. Respondents waive any defenses they might have as to jurisdiction and venue, and, without admitting or denying the factual allegations contained in the Complaint, consent to the terms of this Agreement.

6. Respondents hereby waive their right to a judicial or administrative hearing or appeal on any issue of law or fact set forth in the Complaint.

III. TERMS OF SETTLEMENT

7. Pursuant to Section 309(g) of the CWA, 33 U.S.C. § 1319(g), the nature of the violations, and other relevant factors, EPA has determined that **fifteen thousand dollars (\$15,000)** is an appropriate civil penalty to settle this action.
8. Respondents consent to the issuance of this CA/FO, and agree, for the purposes of settlement, to pay the civil penalty cited in the foregoing paragraph.
9. Respondents shall pay the penalty in six equal monthly installments of two thousand five hundred dollars (\$2,500). The first payment shall be submitted within 30 days of Respondents' receipt of the fully executed CA/FO, and the remaining five payments shall be made within 60, 90, 120, 150, and 180 days of Respondents' receipt of the executed CA/FO, respectively.
10. Payments shall be made by one of the following methods:

13. If any of the payments are not received on or before the applicable due date(s), interest will be assessed at the annual rate established by the Secretary of Treasury pursuant to the Debt Collection Act, 31 U.S.C. §3717, on the overdue amount from the due date through the date of payment. In addition, a late payment handling charge of fifteen dollars (\$15) will be assessed for each thirty (30) day period (or any portion thereof) following a due date in which an overdue balance remains unpaid. A six percent (6%) per annum penalty also will be applied on any principal amount not paid within ninety (90) days of a due date.

In addition, pursuant to Section 309(g)(9) of the Clean Water Act, 33 U.S.C. §1319(g)(9), if any of the payments are not received by the applicable due date, a quarterly nonpayment penalty will be imposed for each calendar quarter during which such nonpayment persists. The quarterly nonpayment penalty is twenty percent (20%) of the aggregate amount of penalties and quarterly nonpayment penalties which are unpaid as of the beginning of such quarter. Respondents will also be required to pay attorneys fees and costs for collection proceedings in connection with nonpayment.
14. The penalty to be paid is a civil penalty assessed by the EPA and shall not be deductible from Respondents' federal or state taxes.
15. This CA/FO shall not relieve Respondents of their obligation to comply with all applicable provisions of federal, state, or local law, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit.
16. This CA/FO constitutes a settlement by the EPA of all claims for civil penalties pursuant to Section 309(g) of the Clean Water Act, 33 U.S.C. § 1319(g), for the violations alleged in the Complaint. Compliance with this CA/FO shall not be a defense to any actions subsequently commenced pursuant to federal laws and regulations administered by the EPA, and it is the responsibility of Respondents to comply with all such laws and regulations.

17. Each undersigned representative of the parties to this CA/FO certifies that she or he is fully authorized by the party represented to enter into the terms and conditions of this CA/FO and to execute and legally bind that party to it.
18. The provisions of this CA/FO shall be binding upon Respondents, their officers, directors, agents, servants, authorized representatives, and successors or assigns.
19. Each party shall bear its own costs and attorneys fees in connection with the action resolved by this CA/FO.
20. Respondents consent to service upon it by delivery of a copy of this CA/FO by an EPA employee other than the Regional Hearing Clerk.
