Dear Mr. Field:

This Addendum to the Administrative Order (Order) issued January 5, 2012, to the Woodenshoe Pipeline Company (Woodenshoe) constitutes the written approval by the EPA of the compliance schedule for replacing the distribution system and permanently reconnecting to the new source as outlined in the December 28, 2015, email to the EPA from Epic Engineering on behalf of Respondent. The schedule below is incorporated into the Order per paragraph 20 of the Order.

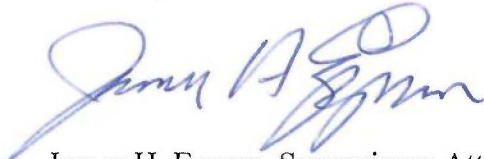

<u>Action</u>	<u>Completion Date</u>
Environmental Assessment 30 day comment period begins	February 1, 2016
Submit construction plans and specifications to the State and County	March 1, 2016
Advertise for bids	April 15, 2016
Begin construction	June 1, 2016
Substantial completion of distribution lines	July 15, 2016
Reconnect to new source	July 29, 2016

The EPA is authorized to seek penalties if these deadlines are not met. If Woodenshoe has a reasonable basis to believe it may be unable to meet any deadline in the schedule, it shall notify the EPA well in advance of the scheduled deadline to request an extension. The EPA may, in its discretion, consider granting an extension.

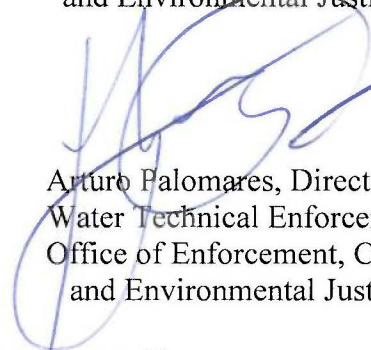

As a reminder, Woodenshoe is required to submit quarterly progress reports to EPA within 10 days of the end of each calendar quarter per paragraph 21 of the Order.

Please be advised that Woodenshoe is required to comply with all provisions of the Order. Penalties for failing to comply are set forth in the Order. Please contact Kathelene Brainich at (800) 227-8917, extension 6481, or (303) 312-6481 if Woodenshoe has any questions concerning this Addendum. If Woodenshoe's attorney has any questions, please ask the attorney to call Charles Figur, Enforcement Attorney, at the above 800 number, extension 6915, or at (303) 312-6915.
