FILED
EPA REGION 8
AUG 13 2012

COMES NOW, Amy Swanson, Enforcement Attorney for Complainant United States Environmental Protection Agency, Region 8, and moves on behalf of both the Complainant and Respondent Maralex Disposal, LLC, for a one week extension of time to file the parties' Stipulations of Facts, Exhibits and Testimony. Pursuant to the Regional Judicial Officer's Pretrial Order of July 19, 2012, the parties were directed to file stipulations and simplification of issues on or before August 10, 2012. The parties specifically request this deadline be extended to August 17, 2012, the deadline for additional discovery. While the parties have made good faith efforts to comply with the existing filing deadline, the one week extension is necessary to allow the Respondent's counsel to meet with his client and confer on the set of draft stipulations sent by the Complainant on August 9, 2012. Counsel for Respondent, Mr. William Zimsky, has been consulted about and does not oppose this request.

Respectfully submitted this 10th day of August 2012.
