Dear Mr. Kolkman:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order (Order), issued on March 4, 2009 to the Deike Estates Improvement and Service District. The EPA has determined that the Deike Estates Improvement and Service District has complied with the terms of the Order and therefore we will close it at this time.

Please be aware that the Deike Estates Improvement and Service District is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

If you have any questions about this matter, please call Shawn McCaffrey at 303-312-6515.

Sincerely,

Lisa Kahn, Team Leader
