HEARING CLERK

Dear Ms. Swanson

I have looked through the paperwork that you sent out and I will be doing all of the things that I need to do to comply with the requirements of this order. Would you please forward this email to Ms. Davis. I am in the process of getting the soil samples so that you know which ones go where and if they are missing I will get those done as well. If there is any other questions that I can answer please feel free to call me.

Thank you,

Brad Benson
