Re: Closure of Notice of Violation  
Docket No. SDWA-08-2010-0015  
Town of Hinckley  
Public Water System  
PWS ID # UTAH14004

Dear Mr. Bousfield:

This letter is to advise you of the decision of the U.S. Environmental Protection Agency (EPA) to close the Notice of Violation, Docket No. SDWA-08-2010-0015, sent on January 26, 2010, for violations of the Safe Drinking Water Act and its implementing regulations by the Town of Hinckley public water system (the system). EPA will not pursue further enforcement action at this time. This decision is based on information provided by your staff that your program entered into a Bilateral Compliance Agreement with the system on April 5, 2010, and the system has incurred no additional violations.

I would like to thank you and your staff for their work with EPA and the system to protect public health.

Sincerely,

Lisa Kahn, Team Leader  
Drinking Water Enforcement Program  
Office of Enforcement, Compliance  
and Environmental Justice
