ICIS #3601450697  
Docket Number: RUST-05-2023-0010

Dear Mr. Obrock:

On October 6, 2022, the U.S. Environmental Protection Agency issued a Notice of Violation and a Compliance Order/Settlement Agreement (Settlement Agreement) for violations of the Federal underground storage tank (UST) regulations (i.e., failure to conduct spill & overfill prevention testing, periodic walkthrough inspections, and operator training) at the City of Toledo Streets/Bridges & Harbors facility located at 1189 West Central Avenue, Toledo, Ohio. The violations were identified during an EPA UST inspection conducted on August 3, 2022.

On January 27, 2023, EPA received your signed copy of the Settlement Agreement. On March 9, 2023, the EPA finance office confirmed receipt of your payment (i.e., 274APEBP transaction ID) for a total of \$2,932.00 in penalties.

The Settlement Agreement states that it is effective upon EPA's final approval. I have enclosed a signed and dated copy of the approved Settlement Agreement. The original Settlement Agreement will remain in the EPA's files. We also have accepted and processed your payment as part of the settlement process.

If you have any questions, please feel free to contact Arturo Cisneros, of my staff, at (312) 886-7447.

Sincerely,

**Julie Morris**
