Re: Notice of Violation and Compliance Order/Settlement Agreement for the Wisconsin State Patrol Academy facility, 94 South 10th Avenue, Fort McCoy, Wisconsin  
ICIS # 3601447800 Docket Number: RUST-05-2023-0004

Dear Mr. Truitt,

On August 9, 2022, the U.S. Environmental Protection Agency, Underground Storage Tank (UST) program issued a Notice of Violation and a Compliance Order/Settlement Agreement (Settlement Agreement) concerning UST violations (i.e., inadequate overfill prevention, monthly walkthrough reports, and operator training) found at the Wisconsin State Patrol Academy facility, 94 South 10th Avenue, Fort McCoy, Wisconsin.

On September 2, 2022, EPA received your signed copy of the Settlement Agreement, some supporting documentation, and on September 23, 2022, EPA received your payment (check #1002569025), for \$2,932.00 in penalties. On November 30, 2022, EPA received the last supporting document needed to demonstrate compliance.

The Settlement Agreement states that it is effective upon EPA's final approval. I have enclosed a signed and dated copy of the approved Settlement Agreement. The original Settlement Agreement will remain in the EPA's files. We also have accepted and processed your check as part of the settlement process.

If you have any questions, please feel free to contact Arturo Cisneros, of my staff, at (312) 886-7447.

Sincerely,
