Re: Notice of Violation and Compliance Order/Settlement Agreement for the City of Oak Forest
Public Works Garage, 15720 South Lorel Avenue, Oak Forest, Illinois
ICIS #3601506911 Docket Number: RUST-05-2023-0011

Dear Mr. Robinson:

On March 16, 2023, the U.S. Environmental Protection Agency issued a Notice of Violation and a Compliance Order/Settlement Agreement (Settlement Agreement) for violations of the Federal underground storage tank (UST) regulations (i.e., failure to comply with financial responsibility requirement) at the City of Oak Forest Public Works Garage, 15720 South Lorel Avenue, Oak Forest, Illinois. The violation was identified during an EPA UST inspection conducted on February 23, 2023.

On April 4, 2023, EPA received your signed copy of the Settlement Agreement and your payment of \$118.00 (check #119615), confirmed by our finance office. The Settlement Agreement states that it is effective upon EPA's final approval. I have enclosed a signed and dated copy of the approved Settlement Agreement. The original Settlement Agreement will remain in the EPA's files. We also have accepted and processed your payment as part of the settlement process.

If you have any questions, please feel free to contact Arturo Cisneros, of my staff, at (312) 886-7447.

Sincerely,

Julie Morris
