Docket Number: RUST-05-2023-0012

Dear Mr. Kraft:

On November 10, 2020, the U.S. Environmental Protection Agency issued a Notice of Violation and Compliance Order/Settlement Agreement (Settlement Agreement) for violations of the Federal underground storage tank (UST) regulations (i.e., failure to maintain records of testing and inspections) at the Three Eagles Gift Shop facility located at 66096 US Highway 2 in Ashland, Wisconsin. The violations were identified during an EPA off site compliance evaluation based on information provided by Three Eagles Gift Shop in response to a Request for Information from EPA dated August 13, 2020.

On February 24, 2023, EPA received your signed copy of the Settlement Agreement. On December 29, 2020, the EPA finance office confirmed receipt of our payment for a total of \$670.00 in penalties (check #18467).

The Settlement Agreement states that it is effective upon the EPA's final approval. I have enclosed a signed and dated copy of the approved Settlement Agreement. The original Settlement Agreement will remain in EPA files. We also have accepted and processed your payment as part of the settlement process.

If you have any questions, please feel free to contact Kevin Hill, of my staff, at (312)886-6087 or hill.kevin@epa.gov.
