Re: Administrative Order on Consent Docket No. SDWA-05-2021-0005

Dear Mr. Hartman:

Based on the information you have provided regarding the requirements of the Administrative Order on Consent (AOC), the U.S. Environmental Protection Agency believes that you have satisfied the terms of SDWA-05-2021-0005. EPA anticipates no further action on the alleged noncompliance EPA observed at multiple underground injection control wells, including failing to maintain positive pressure, failing to accurately record annulus pressure, submitting inaccurate reports, and failing to keep monitoring records, and considers the AOC to be closed.

Thank you for your efforts to protect water quality. If you have any questions on this matter, please contact James Adamiec of my staff at (312) 886-0815 or adamiec.james@epa.gov

Sincerely,

Michael D. Harris
Division Director
