Docket Number: RUST-05-2023-0013

Dear Mr. Olson:

On April 10, 2023, the U.S. Environmental Protection Agency issued a Notice of Violation and a Compliance Order/Settlement Agreement (Settlement Agreement) for violations of the Federal underground storage tank (UST) regulations (i.e., installation of inadequate spill prevention) at the Onamia Bus Garage facility, 35465 125th Avenue, Onamia, Minnesota. The violation was identified during an EPA UST inspection conducted on March 28, 2023.

On May 15, 2023, EPA received your signed copy of the Settlement Agreement and your payment of \$580.00 (i.e., check #86597), confirmed by our finance office. The Settlement Agreement states that it is effective upon EPA's final approval. I have enclosed a signed and dated copy of the approved Settlement Agreement. The original Settlement Agreement will remain in the EPA's files. We also have accepted and processed your payment as part of the settlement process.

If you have any questions, please feel free to contact Arturo Cisneros, of my staff, at (312) 886-7447.

Sincerely,

**Julie Morris**
