Re: Notice of Violation and Compliance Order/Settlement Agreement for  
Trailside Convenience Bait & Tackle, Isle, Minnesota  
ICIS # 600031426 Docket Number: RUST-05-2024-0002

Dear Ms. Kacon:

On August 24, 2023, the U.S. Environmental Protection Agency issued a Notice of Violation and a Compliance Order/Settlement Agreement (Settlement Agreement) for a violation of the Federal underground storage tank (UST) regulations at the Trailside Convenience Bait & Tackle facility located at 750 Highway 47 South, Isle, Minnesota. The violation was identified during an EPA UST inspection conducted on August 1, 2023.

On October 18, 2023, EPA received your signed copy of the Settlement Agreement. On November 8, 2023, EPA received your supporting documentation that the violation has been corrected. Your payment of \$733.00 (check #14774) was confirmed by our finance office on October 12, 2023. The Settlement Agreement states that it is effective upon EPA's final approval. I have enclosed a signed and dated copy of the approved Settlement Agreement. The original Settlement Agreement will remain in EPA's file. We also have accepted and processed your payment as part of the settlement process.
