Jason:

The Regional Hearing Clerk, Ann Coyle, has noted that our recent CAFO restructuring caused some internal inconsistencies in paragraph 53. These can be eliminated by simply deleting the listed referenced paragraph numbers, as we have done in the attached.

Ms. Coyle is willing to act on the CAFO without going through the sign-off process again if you are willing to send her an email indicating your consent to this change. Your email to this effect will be included in the record.

Please send the email to: [coyle.ann@epa.gov](mailto:coyle.ann@epa.gov) and copy me. If you could do this on Thursday, it would be most appreciated!

Louise
