Re: Notice of Violation and Compliance Order/Settlement Agreement for Wright Patterson Air Force Base
ICIS ID 3601640284
Docket Number RUST-05-2025-0001

Dear Ms. Tyler:

On July 24, 2024, the U.S. Environmental Protection Agency issued a Notice of Violation and a Compliance Order/Settlement Agreement (Settlement Agreement) for violations of the federal underground storage tank (UST) regulations at Wright Patterson Air Force Base facility located at 2751 Sacramento Street, Wright Paterson Air Force Base, Ohio. The violations were identified during an EPA UST inspection conducted on April 16, 2024.

On October 18, 2024, EPA received your supporting documentation that the violation has been corrected. On November 18, 2024, EPA received your signed copy of the Settlement Agreement. Your payment of \$1,144.00 was confirmed by our finance office on November 25, 2025. The Settlement Agreement states that it is effective upon EPA's final approval. I have enclosed a signed and dated copy of the approved Settlement Agreement. The original Settlement Agreement will remain in EPA's file. We also have accepted and processed your payment as part of the settlement process.

If you have any questions, please feel free to contact Kevin Hill at hill.kevin@epa.gov or (312) 886-6087.

Sincerely,

Regional Hearing Clerk
United States Environmental Protection Agency
