Re: Notice of Violation and Compliance Order/Settlement Agreement for F & L Merriman LLC
ICIS ID# 3601748218 Docket Number: RUST-05-2025-0013

Dear Ms. Stasha Wilt:

On February 7, 2025, the U.S. Environmental Protection Agency issued a Notice of Violation and a Compliance Order/Settlement Agreement (Settlement Agreement) for violations of the Federal underground storage tank (UST) regulations at the F & L Merriman LLC facility located at 7111 Merriman Road, Romulus, Michigan. The violations were identified during an EPA UST inspection conducted on December 5, 2024.

On March 7, 2025, EPA received your signed copy of the Settlement Agreement. On January 24, 2025, EPA received your supporting documentation that the violation has been corrected. Your payment of \$1,630 was confirmed by our finance office on March 11, 2025. The Settlement Agreement states that it is effective upon EPA's final approval. I have enclosed a signed and dated copy of the approved Settlement Agreement. The original Settlement Agreement will remain in EPA's file. We also have accepted and processed your payment as part of the settlement process.

If you have any questions, please feel free to contact Charles Holada at holada.charles@epa.gov or (312) 886-4883.

Sincerely,

Regional Hearing Clerk
United States Environmental Protection Agency
