Re: Notice of Violation and Compliance Order/Settlement Agreement for Westland Food & Fuel Inc.
UST3601748174
Docket Number: RUST-05-2025-0005

Dear Rafi Usman:

On April 1, 2025, the U.S. Environmental Protection Agency issued an Amended Notice of Violation and a Compliance Order/Settlement Agreement (Settlement Agreement) for violations of the Federal underground storage tank (UST) regulations at the Westland Food & Fuel Inc. facility located at 35336 Ford Road, Westland, Michigan. The violations were identified during an EPA UST inspection conducted on December 5, 2024.

On March 7, 10 and 17, 2025, EPA received your supporting documentation that the violations have been corrected. On April 10, 2025, EPA received your signed copy of the Settlement Agreement. Your payment of \$946 was confirmed by our finance office on April 15. The Settlement Agreement states that it is effective upon EPA's final approval. I have enclosed a signed and dated copy of the approved Settlement Agreement. The original Settlement Agreement will remain in EPA's file. We also have accepted and processed your payment as part of the settlement process.

If you have any questions, please feel free to contact Derrick Samaranski at Samaranski.derrick@epa.gov or (312) 886-7812.

Sincerely,
