Dear Mr. Curran:

Enclosed is the signed and effective Consent Agreement and Final Order (“CA/FO”) Expedited Settlement Agreement (“ESA”) that resolves the subject Facility’s past non-compliance for failing to obtain coverage under the New York State Department of Environmental Conservation’s (NYSDEC) Multi-Sector General Permit for Stormwater Associated with Industrial Activity (“MSGP” or “Permit”). Please note that Seaway Timber, Inc., must submit the payment of **\$20,000** in accordance with the **18 month payment schedule**, attached, to the address in the CA/FO (also included below). Additional acceptable payment options such as electronic wire transfers are attached. Note that the ability to submit paper checks may cease in September 2025, and therefore we recommend the wire transfer options.
