Re: Notice of Determination FIFRA-03-2025-6000 for Energy Solutions US LLC

Dear Mr. Linskey:

Enclosed please find a **NOTICE OF DETERMINATION** concerning violations of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), 7 U.S.C. §§ 136 et seq.

The United States Environmental Protection Agency (EPA) is in receipt of Energy Solution USA, LLC's eDisclosure submission of July 8, 2024, in which Energy Solutions reported noncompliance with the chemical composition requirements for registered pesticides under Section 12(a)(1)(C) of FIFRA, 7 U.S.C. § 136j(a)(1)(C). Based on the eDisclosure submission and the compliance certification statement submission, we have determined that Energy Solution USA, LLC has met the nine conditions of EPA's Final Policy Statement, Incentives for Self-Policing: Discovery, Disclosure, Correction and Prevention of Violations, 65 Fed. Reg. 19,618 (April 11, 2000) (Audit Policy) and therefore, EPA will not seek a civil penalty in this matter.

Should you have any questions regarding this letter, please contact Christine Convery of my staff at convery.christine@epa.gov.

Sincerely,

Karen Melvin
Director
Enforcement and Compliance Assurance Division
U.S. Environmental Protection Agency, Region 3
