Re: Notice of Violation and Compliance Order/Settlement Agreement for Sailstar Marina  
ICIS ID: 6681657  
Updated Docket Number: RUST-05-2025-0036      Original Docket Number: R5-UST-24-002-AC

Dear Mr. Larsen:

On December 4, 2023, the U.S. Environmental Protection Agency issued a Notice of Violation and a Compliance Order/Settlement Agreement (Settlement Agreement) for violations of the Federal underground storage tank (UST) regulations at the Sailstar Marina facility located at 741 Sailstar Drive NE, Cass Lake, Minnesota. The violations were identified during an EPA UST inspection conducted on September 20, 2023.

On March 14, 15, and 22, 2024, EPA received your supporting documentation that the violations have been corrected. On June 18, 2025, EPA received the signed Settlement Agreement. Your payment of \$2,932.00 was confirmed by our finance office on June 23, 2025. The Settlement Agreement states that it is effective upon EPA's final approval. I have enclosed a signed and dated copy of the approved Settlement Agreement. The original Settlement Agreement will remain in EPA's file. We also have accepted and processed your payment as part of the settlement process.

If you have any questions, please feel free to contact Kevin Hill at [hill.kevin@epa.gov](mailto:hill.kevin@epa.gov) or (312) 886-6087.

Sincerely,

Regional Hearing Clerk  
United States Environmental Protection Agency Region 5
