Re: Consent Agreement and Final Order In the Matter of Geronimo Concrete Inc

Dear Geronimo Lopez,

Please find enclosed the final executed Consent Agreement and Final Order (“CAFO”) negotiated between the United States Environmental Protection Agency, Region 9 (“EPA”) and Geronimo Concrete Inc (“GCI”).

This CAFO sets out the terms for resolution of the Toxic Substances Control Act (“TSCA”) administrative civil penalty action against GCI for its alleged failure to adhere to the Renovation, Repair and Painting Rule and the Pre-Renovation Education Rule when work was performed at Albion Elementary located at 322 S. Avenue 18 in Los Angeles, CA and Harbor City Elementary located at 1508 W. 254th Street in Harbor City, CA.

GCI’s full compliance with the payment terms of this CAFO and completion of all tasks in accordance with the terms of this CAFO will close this case. If you have any questions regarding the alleged TSCA violations or the rules which govern the proceedings terminated by the enclosed document, please contact Nathaniel Moore (Assistant Regional Counsel) in EPA’s Office of Regional Counsel at (415) 972-3899 or Carol Bussey (Assistant Regional Counsel) in EPA’s Office of Regional Counsel at (415) 972-3950.

Sincerely,

Matt Salazar, P.E.
Manager, Toxics Section
Enforcement and Compliance Assurance Division
