Re: In the Matter of American GreenFuels, LLC, Docket No: CAA-01-2025-0057

Dear Mr. Knapp:

Attached for your review and signature is a Consent Agreement and Final Order ("CAFO") that will resolve a Clean Air Act ("CAA") administrative penalty action brought by the U.S. Environmental Protection Agency, Region 1 ("EPA") against American GreenFuels, LLC ("AGF") for an alleged violation of certain CAA emission control requirements.

The Consent Agreement has been signed by the parties and is now presented for the Regional Judicial Officer's signature of the Final Order.

As permitted by 40 C.F.R. §§ 22.13(b) and 22.18(b)(2), the CAFO will both commence and conclude EPA's enforcement action against AGF. The CAFO describes AGF's alleged CAA violation of the General Provisions of the Standards of Performance for New Stationary Sources at its synthetic organic chemical manufacturing facility located in New Haven, Connecticut. The CAFO also includes a certification that AGF has corrected its violations and will operate its facilities in compliance with the CAA.

Under the CAFO, AGF will pay a settlement penalty of \$143,000 within 30 days of the date this CAFO becomes final. The U.S. Department of Justice provided its CAA Section 113(d) waiver for administrative enforcement on August 21, 2025, as some of the violations occurred more than 12 months prior to enforcement.

The parties' consent to the use of digital signatures and Respondent's consent to electronic service is included in the CAFO. The parties' service email addresses are included in the CAFO and the Proposed Certificate of Service transmitted to the Regional Hearing Clerk.

If you have any questions regarding the proposed CAFO, please contact me at Kometani.kassandra@epa.gov or (617) 918-1852, and Respondent's counsel Wayne D'Angelo at WDAngelo@KelleyDrye.com or (202) 342-8525.

Sincerely,
