**RE: Consent Agreement and Final Order, Settlement of RCRA 3008 Violations at
Container Management Services LLC**

Dear Joe Gresenz:

Please find enclosed a copy of the final executed Consent Agreement and Final Order ("CA/FO") negotiated between the United States Environmental Protection Agency, Region IX and Container Management Systems, LLC ("CMS"). This CA/FO sets out the terms for resolution of the violations alleged under Resource Conservation and Recovery Act and California's authorized hazardous waste program, following EPA's inspection of CMS' former facility in Hayward, California. CMS' full compliance with the terms of this CA/FO will close this case. If you have any questions regarding the regulations governing CMS' operations or the rules that govern the proceedings terminated by the enclosed document, please contact J. Andrew Helmlinger, in the Office of Regional Counsel, at (415) 972-3904 or helmlinger.andrew@epa.gov.

Sincerely,

Amy C. Miller-Bowen, Director
Enforcement and Compliance Assurance Division
