Re: Consent Agreement and Final Order In the Matter of Biosearch Technologies, Inc.

Dear Courtney B. Scrubbs:

Please find enclosed the final executed Consent Agreement and Final Order (“CAFO”) negotiated between the United States Environmental Protection Agency, Region 9 (“EPA”) and Biosearch Technologies, Inc. (“Biosearch”).

This CAFO sets out the terms for resolution of the Resource Conservation and Recovery Act (“RCRA”) administrative civil penalty actions against Biosearch for its alleged violations of the hazardous waste management regulations at the Biosearch facility located at 2199 S. McDowell Blvd in Petaluma, California.

Biosearch’s full compliance with the payment terms of this CAFO and completion of all tasks in accordance with the terms of this CAFO will close this case. If you have any questions regarding the alleged RCRA violations or the rules which govern the proceedings terminated by the enclosed document, please contact Laura Friedli (Assistant Regional Counsel), in EPA’s Office of Regional Counsel at (415) 972-3325.

Sincerely,

Amy C. Miller-Bowen, Director
Enforcement and Compliance Assurance Division
U.S. Environmental Protection Agency, Region IX
