Public Notice: Proposed settlement with Woodgrain Millwork, Inc. for Clean Water Act violations in Idaho

Publish Date: February 10, 2026

Summary

The EPA is providing notice of a proposed administrative penalty settlement with Woodgrain Millwork, Inc., for violations of the Clean Water Act at its facility located in **Nampa, Idaho**.

EPA alleges that the respondent failed to comply with EPA's 2015 and 2021 Industrial Stormwater General Permit/Multi-Sector General Permit at its Woodgrain Millwork facility. The permits cover discharges of pollutants into **Indian Creek**.

Alleged violations:

- Failure to sample and monitor outfalls.
- Failure to install and maintain stormwater control measures and best management practices.
- Failure to submit timely discharge monitoring reports.
- Failure to collect representative samples from its main outfall.
- Failure to maintain records.
- Failure to facilitate additional implementation measures.
- Failure to maintain a Stormwater Pollution Prevention Plan according to the written standard.

This action is being simultaneously commenced and concluded in a legal document called a Consent Agreement and Final Order. Under the proposed agreement, Woodgrain Millwork, Inc. will pay a **civil penalty of \$125,000**.
