Re: Termination of Administrative Order for Compliance on Consent  
Docket No. CWA-07-2012-0044, City of Moscow Mills  
Moscow Mills, Missouri

Dear Mr. Hopkins:

On January 9, 2013, the referenced Administrative Order for Compliance on Consent ("Order on Consent") was issued by the U.S. Environmental Protection Agency to the City of Moscow Mills under the authority of Sections 308 and 309(a) of the Clean Water Act, 33 U.S.C. §§ 1318 and 1319(a)(3), as amended. The EPA has reviewed the information submitted by you in response to the required compliance activities outlined in paragraphs 31 through 36 of the Order on Consent and has determined that those requirements have been adequately met. This letter serves as a notification to you that the EPA is terminating the Order on Consent. The EPA's decision to terminate the Order on Consent is conditioned upon the accuracy of your representations to the EPA in response to the requirements of the Order on Consent.

Termination of this Order on Consent in no way relieves you of the obligation to comply with your National Pollutant Discharge Elimination System permit and all applicable statutes and regulations. The effect of this termination is limited to the requirements imposed under the Order on Consent. The EPA reserves all its authorities, both legal and equitable, under the CWA and any other statutory, regulatory, or common law authorities of the United States.

If you have any questions relating to this termination letter or the above referenced enforcement action, please contact Don Hamera of my staff at (913) 551-7818, or Patricia Miller in the Office of Regional Counsel at (913) 551-7283.

Sincerely,
