Re: **Letter of Remittance**
In the Matter of: The Washington Metropolitan Area Transit Authority
Docket No. RCRA-03-2009-0018

Dear Ms. O'Keefe:

On December 12, 2008, the Regional Judicial Officer issued a Final Order ratifying the Consent Agreement ("CAFO") entered into by the Director of the Land and Chemicals Division of the U.S. Environmental Protection Agency - Region III ("EPA"), and by you, on behalf of the Washington Metropolitan Area Transit Authority ("WMATA"). The CAFO required WMATA to pay a civil penalty in the amount of \$23,502.00 and to complete the implementation of the WMATA Advanced Geospatial Petroleum Product Management Supplemental Environmental Project ("SEP") up to a maximum cost of \$107,608.00. In addition, WMATA agreed to provide reports, documentation, and a certification to demonstrate the implementation of those tasks.

EPA has determined that WMATA has paid the \$23,502.00 civil penalty and that WMATA has satisfactorily completed the WMATA Advanced Geospatial Petroleum Product Management SEP Project set forth in the Consent Agreement. Therefore, EPA hereby issues this Letter of Remittance in accordance with Paragraph 110 of the Consent Agreement.

Sincerely,

A handwritten signature in cursive script that reads "Renée Sarajian".
