Re: Termination of Administrative Order for Compliance on Consent  
Docket No. CWA-07-2007-0016

Dear Mr. Hantak:

On May 08, 2007, the above referenced Administrative Order for Compliance on Consent was issued by the Environmental Protection Agency to you under the authority of Section 309(a) of the Clean Water Act, 33 U.S.C. § 1319(a). The EPA has received confirmation that the agreed upon compensatory mitigation has been completed, and that the survival rates of the planted trees meet or exceed the minimum requirements. This letter serves as a notification to you that the EPA is terminating the AOC.

Termination of the AOC in no way relieves you of the obligation to comply with all applicable statutes and regulations. The effect of this Termination is limited to the requirements imposed under the AOC. The EPA reserves all of its authorities, both legal and equitable, under the CWA and any other statutory, regulatory, or common law authorities of the United States.

If you have any questions relating to this Termination Letter or the above referenced enforcement action, please contact Dr. Delia Garcia of my staff at (913) 551-7262 or Jonathan Meyer in the Office of Regional Counsel at (913) 551-7140.

Sincerely,

Karen A. Flournoy  
Director

Water, Wetlands and Pesticides Division
