Re: Administrative Complaint and Notice
of Opportunity for Hearing
Docket No. CWA-08-2010-0046

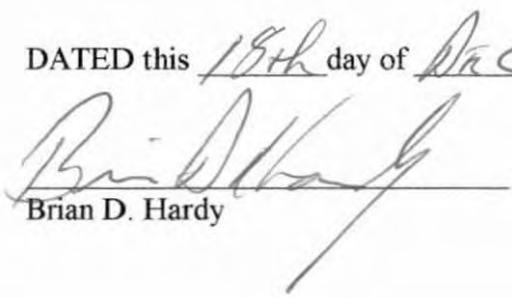

Dear Ms. Artemis,

I am requesting an additional extension to my Administrative Complaint and Notice of Opportunity for Hearing. I have been working with Wendy Silver and Seth Draper regarding an informal settlement conference. My lender and accountant are still working on the financial papers to continue this discussion. Ms. Silver and I talked on Dec. 14th., she indicated she would be out of the office until after Christmas and suggested I file for an additional extension. I therefore request a 60 day extension which would put our deadline for an answer to the complaint and notice on or about Feb. 28 2011. Our desire is to settle this complaint in a timely matter, through an informal settlement conference if possible.

Thank you for your consideration of this request.
