Re: Termination of Administrative Order on Consent
Kickapoo Tribe in Kansas
Public Water System Identification Number: 070000002
Docket No. SDWA-07-2010-0002

Dear Chairman Cadue:

On February 26, 2010, the referenced Administrative Order on Consent became effective subject to authority of Section 1414(g) of the Safe Drinking Water Act, 42 U.S.C. § 300(g)-3(g). This letter serves as a notification to you that the EPA is terminating the Order.

The EPA has reviewed the information submitted by you in response to the required compliance activities, and has determined that those requirements have been adequately met. The EPA's decision to terminate the Order is conditioned upon the accuracy of your representations to the EPA in response to the requirements of the Order.

Termination of this Order in no way relieves you of the obligation to comply with the on-going requirements of the Safe Drinking Water Act and its implementing regulations. The effect of this termination is limited to the requirements imposed under the Order. The EPA reserves all of its authorities, both legal and equitable, under the SDWA and any other statutory, regulatory, or common law authorities of the United States.

If you have any questions relating to this termination letter or the above referenced enforcement action, please contact Scott Marquess of my staff at (913) 551-7131, or Chris Dudding, the attorney assigned to this matter, at (913) 551-7524.

Sincerely,

Karen A. Flournoy
Director
Water, Wetlands and Pesticides Division
