RE: Emergency Administrative
Order issued under Section 1431
SDWA to Skyline Village Mobile
Home Park (MHP)
Docket No. SDWA-08-2009-0043
PWS ID #WY5601176

Dear Mr. Vukovich:

On April 10, 2009, the U.S. Environmental Protection Agency (EPA) issued an Emergency Administrative Order (Order) under section 1431 of the Safe Drinking Water Act (the Act), 40 U.S.C. § 300i, to Colorado Real Estate & Investment Company, owner and/or operator of the Skyline Village MHP public water system (the system). This letter confirms the verbal notice provided to Aimee White, Regional Property Supervisor at Skyline Village MHP, by Shawn McCaffrey of EPA on April 15, 2009, regarding reduced monitoring and rescission of the public notification (boil order) and alternate water source requirements under the Order.

Additionally this letter serves as written notice that effective April 15, 2009, pursuant to the Order, daily bacteriological monitoring in the distribution system is no longer required and may be reduced to weekly monitoring (one sample per week). This notice is based on bacteriological monitoring conducted on April 9, April 13, and April 14, 2009 which were analyzed as total coliform negative. Weekly bacteriological monitoring shall be conducted until you are notified by EPA that sampling may be reduced to monthly.

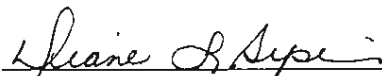

You may discontinue the public notice required by the Order and may discontinue the provision of an alternative potable water supply at this time. The system is required to comply with all other provisions of the Order. Penalties for failing to comply are set forth in the Order.

We appreciate your cooperation. If you have any questions regarding this matter, please contact Shawn McCaffrey at (303) 312-6515. If you are represented by an attorney or have legal questions, please ask your attorney to call Amy Swanson, Senior Enforcement Attorney, at (303) 312-6906.
