Re: Termination of Findings of Violation and Order for Compliance  
Bemis Clysar, Inc.  
Docket No.: CWA-07-2011-0092

Dear Mr. Good:

On August 8, 2011, the above referenced Findings of Violation and Order for Compliance was filed with the Regional Hearing Clerk under the authority of Section 309(a)(3) of the Clean Water Act, 33 U.S.C. § 1319(a)(3). On October 22, 2013, Clysar LLC submitted its final quarterly report covering the third quarter of calendar year 2013. The EPA has reviewed that report and additional information previously submitted as required by the Order, and has determined that the requirements of the Order have been adequately met. This letter serves as a notification to you that the EPA is terminating the Order as provided in Paragraph 38 of the Order. The EPA's decision to terminate the Order is conditioned upon the accuracy of your representations to the EPA in response to the requirements of the Order.

The effect of this termination is limited to the requirements imposed under the Order. The EPA reserves all of its authorities, both legal and equitable, under the CWA and any other statutory, regulatory, or common law authorities of the United States.

If you have any questions relating to this termination letter or the above referenced enforcement action, please contact Wayne Dillard of my staff at (913) 551-7885, or Howard Bunch, the attorney assigned to this matter at (913) 551-7879.

Sincerely,

Karen A. Flourmoy
