**Puerto Rico Science, Technology & Research Trust**

(herein the "Respondent") is a "person," within the meaning of § 502(5) of the Clean Water Act ("the Act" or "CWA"), 33 U.S.C. § 1362(5), and 40 C.F.R. § 122.2.

Attached is an "Expedited Settlement Offer Deficiencies Form" (herein the "Form"), which is hereby incorporated by reference. By its signature, Complainant ("EPA") finds that Respondent is responsible for the deficiencies specified in the Form.

Respondent operated in violation of Section 301(a) of the Act, 33 U.S.C. §1311, and failed to comply with the National Pollutant Discharge Elimination System ("NPDES") storm water permit (2012 CGP) authorized under Section 402 of the Act, 33 U.S.C. § 1342, as noted on the attached Form.

EPA finds, and Respondent admits, that Respondent is subject to Section 301(a) of the Act, 33 U.S.C. § 1311, and that EPA has jurisdiction over the allegations and any "person" who "discharges pollutants" from a "point source" to "waters of the United States". Respondent neither admits nor denies the allegation(s) specified in the Form.

EPA is authorized to enter into this Consent Agreement and Final Order ("Agreement") under the authority vested in the Administrator of EPA by Section 309(g)(2)(A) of the Act, 33 U.S.C. §1319(g)(2)(A), and by 40 C.F.R. § 22.13(b). The parties enter into this Agreement in order to settle the civil violation(s) specified in the Form for a penalty of **\$3,500**. Respondent consents to the assessment of this penalty, and waives the right to: (1) contest the finding(s); (2) a hearing pursuant to Section 309(g)(2) of the Act, 33 U.S.C. §1319(g)(2); and (3) appeal pursuant to Section 309(g)(8) of the Act, 33 U.S.C. §1319(g)(8).

Additionally, Respondent certifies, subject to civil and criminal penalties for making a false statement to the United States Government, that it has corrected any deficiencies identified in the Form, and to the best of its knowledge, is in compliance with the NPDES permitting program.

Respondent certifies that within 10 days of receiving notice from EPA that the Agreement is effective ("SO ORDERED") it will send a bank, cashiers or certified check for the amount specified above, payable to the "Treasurer, United States of America" to:

This Agreement settles EPA's civil penalty claims against Respondent for the CWA violation(s) specified in this Agreement. However, EPA does not waive its rights to take any enforcement action against Respondent for any other past, present, or future civil or criminal violation of the Act or of any other federal statute or regulation. EPA does not waive its right to issue a compliance order for any uncorrected deficiencies or violation(s) described in the Form. EPA has determined this Agreement to be in the public interest.

This Agreement is binding on the parties signing below and effective thirty (30) days from the date it is signed ("APPROVED") by the Director of the Caribbean Environmental Protection Division unless a petition to set aside the Order is filed by a commenter pursuant to § 309(g)(4)(C) of the Act, 33 U.S.C. § 1319(g)(4)(C) and Part 22.

If Respondent does not sign and return this Agreement as presented within 30 days of the date of its receipt, the proposed Agreement is withdrawn without prejudice to EPA's ability to issue any order or file any enforcement action for the violation(s) identified in the Form.
