Subject ChemStation of Denver - Docket No. FIFRA-08-2008-0025 -
Acceptance of Offer of ADR

Dear Ms. Whiting-Beale -

I represent ChemStation of Denver in the above-referenced matter. In a letter dated September 19, 2008, Chief Judge Biro offered that my client and US EPA may wish to take advantage of ADR offered by the Office of ALJs in an effort to resolve this matter. We were asked to respond to you by today as to whether we would like to participate. I am writing to inform you that my client accepts this offer to participate in ADR. I have had preliminary discussions with counsel for US EPA and understand from him that the Agency is also interested in ADR. He indicated that he has separately communicated that decision to you.

Please let me know if you have questions. Thanks for your assistance in this matter.
