CONSENT AGREEMENT

FINAL ORDER

Docket No.
SDWA-02-2026-8401

I. PRELIMINARY STATEMENT

This Consent Agreement is entered into by the Regional Administrator, United States Environmental Protection Agency, Region 2 (“EPA” or “Complainant”) and the United States Postal Service (“Respondent”), pursuant to Section 1447(b) of the Safe Drinking Water Act (“SDWA”), as amended, 42 U.S.C. § 300j-6(b), and in accordance with the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits, (“Consolidated Rules of Practice”), 40 C.F.R. Part 22. The authority to issue this order has been duly delegated to the Regional Administrator of U.S. EPA, Region 2.

This Consent Agreement and the attached Final Order (hereinafter jointly referred to as the “CAFO”), resolve Complainant’s civil penalty claims against Respondent under the SDWA for the violations alleged herein, with respect to the United States Postal Service Budd Lake Mt Olive Branch public water system (PWS ID NJ1427384) (“PWS”) located in Budd Lake, New Jersey.

II. JURISDICTION

1. The New Jersey Department of Environmental Protection (“NJDEP”) administers the Public Water Supply Supervision Program in New Jersey pursuant to Section 1413 of the SDWA. The approval of primary enforcement responsibility from EPA to NJDEP was effective as of July 13, 1979. NJDEP is the primacy agency, as that term is defined in 40 C.F.R. § 142.2. However, on October 28, 2025, NJDEP referred the USPS Budd Lake Mt Olive Branch PWS

to EPA for appropriate action.

2. Section 1447 of the SDWA, 42 U.S.C. § 300j-6, authorizes EPA to take an enforcement action whenever it determines that a Federal agency is in violation of any requirement of the SDWA, EPA's regulations thereunder, or any regulation of a state drinking water program which has been authorized by EPA. Pursuant to 42 U.S.C. § 300j-6(b), EPA may issue a penalty order assessing a penalty against any Federal agency that owns or operates any public water system which violates an applicable requirement of the statute. Violators are subject to, inter alia, the assessment of a civil penalty of not more than \$49,848 per day per violation pursuant to 42 U.S.C. § 300j-6 (b)(2), as adjusted by the Federal Civil Penalties Inflation Adjustment Act of 1990, amended by the Debt Collection Improvement Act of 1996, and the subsequent Civil Monetary Penalty Inflation Adjustment Rule, 40 C.F.R. Part 19; *see also* 90 Fed. Reg. 1375-1378 (Jan. 8, 2025).
3. The EPA has jurisdiction over the above-captioned matter, as described in the Preliminary Statement above.
4. The Consolidated Rules of Practice govern this administrative adjudicatory proceeding pursuant to 40 C.F.R. § 22.1(a)(9).
5. In accordance with 40 C.F.R. §§ 22.13(b), 22.18(b)(2) and (3), and 22.43 of the Consolidated Rules of Practice, Complainant hereby simultaneously commences and resolves this administrative proceeding.

III. GENERAL PROVISIONS

6. For purposes of this proceeding only, Respondent admits the jurisdictional allegations set forth in this CAFO.
7. Respondent neither admits nor denies the specific factual allegations and conclusions of law set forth in this CAFO.
8. Respondent hereby stipulates that EPA has jurisdiction over the subject matter alleged in this CAFO and agrees not to contest EPA's jurisdiction with respect to the execution of this Consent Agreement, the issuance of the attached Final Order, or the enforcement of this CAFO.
9. For the purposes of this proceeding only, Respondent hereby expressly waives its right to a hearing on any issue of law or fact set forth in this Consent Agreement and any right to appeal the accompanying Final Order.
10. Respondent hereby expressly waives its right to confer with the Administrator under SDWA § 1447(b)(3), 42 U.S.C. § 300j-6(b)(3).

11. Respondent consents to the issuance and terms of this CAFO as set out herein, including the assessment and payment of the stated civil penalties, and to any conditions specified herein.
12. Each party shall bear its own costs and attorney's fees.
13. The person signing this CAFO on behalf of the Respondent certifies to EPA by his or her signature herein that Respondent, as of the date of its execution of this CAFO, is in compliance with the provisions of the SDWA, its implementing regulations and the NJDEP's federally authorized Public Water Supply Supervision Program at the USPS Budd Lake Post Office referenced herein. This certification is based on the personal knowledge of the signer or an inquiry of the person or persons responsible for the Facility's compliance with the SDWA.
14. The provisions of this CAFO shall be binding upon the Respondent and its contractors, successor agencies, departments or instrumentalities.
15. This CAFO shall not relieve Respondent of its obligation to comply with all applicable provisions of Federal, state or local law, nor shall it be construed to be a ruling on, or determination of, any issue related to any Federal, state or local permit, nor does this CAFO constitute a waiver, suspension or modification of the requirements of 40 C.F.R. Part 141, the SDWA, or any other regulations promulgated thereunder.
16. Complainant shall have the right to institute further actions to recover appropriate relief if Complainant obtains evidence that the information provided and/or representations made by Respondent to EPA regarding matters at issue in the CAFO are false or, in any material respect, inaccurate.

IV. FACTUAL ALLEGATIONS AND CONCLUSIONS OF LAW

17. Respondent is a "Federal agency" as that term is defined in SDWA § 1401(11), 42 U.S.C. § 300f(11) as any department, agency, or instrumentality of the United States.
18. Respondent is a "person" as that term is defined in SDWA § 1401(12), 42 U.S.C. § 300f (12), and 40 C.F.R. § 141.2.
19. Respondent owns or operates a "public water system" and is a "supplier of water" within the meaning of SDWA § 1401(5), 42 U.S.C. § 300f(5). Respondent is therefore subject to the requirements of Part B of the SDWA, 42 U.S.C. § 300g *et seq.*, and its implementing regulations found at 40 C.F.R. Part 141.
20. Respondent provides piped water for human consumption that does not regularly serve the same population of at least 25 individuals over six (6) months per year and is therefore a "transient non-community water system" (TNCWS) as defined by Section 1401(16) of the SDWA, 42 U.S.C. § 300f(16), and 40 C.F.R. § 141.2.

Docket No. SWDA-02-2026-8401

21. Under SDWA § 1447(a), 42 U.S.C. § 300j-6(a), each department, agency, or instrumentality of the executive branch of the federal government that owns or operates any public water system is subject to and must comply with, all Federal, State, interstate, and local requirements, both substantive and procedural, to the same extent as any person is subject to such requirements.
22. Respondent owns or operates a public water system and is a department, agency, or instrumentality of the executive branch of the federal government. Respondent is therefore subject to and must comply with the requirements of Part B of the SDWA, 42 U.S.C. § 300g *et seq.*, and its implementing regulations found at 40 C.F.R. Part 141.
23. 40 C.F.R. Part 141, Subpart Y, the Revised Total Coliform Rule “RTCR” applies to all public water systems except those subject to the Aircraft Drinking Water Rule.
24. Pursuant to 40 C.F.R. § 141.853(a), Respondent is required to monitor for total coliforms at sites which are representative of water throughout the distribution system according to a written sample siting plan.
25. Pursuant to 40 C.F.R. §§ 141.854(b) and 141.854(c), Respondent is required to monitor quarterly for total coliform.
26. Pursuant to 40 C.F.R. § 141.861(a)(4), systems failing to comply with a coliform monitoring requirement must report the monitoring violation to the State within ten (10) days after the system discovers the violation and notify the public in accordance with 40 C.F.R. § 141, Subpart Q (Public Notification of Drinking Water Violations).
27. Pursuant to 40 C.F.R. § 141.854(f), non-community water systems with two or more monitoring violations in a rolling 12-month period must increase monitoring to monthly for total coliform.
28. NJDEP issued seventeen (17) Notices of Violation (“NOVs”) to Respondent between March 2023 and October 2025 related to violations under 40 C.F.R. Part 141, Subpart Y.
29. NJDEP referred the USPS Budd Lake Mt Olive Branch PWS to EPA due to the Respondent’s failure to respond to NJDEP’s repeated attempts to return the PWS to compliance with the SDWA.
30. Based on information in the Safe Drinking Water Information Systems (“SDWIS”) and that provided by NJDEP, Respondent failed to conduct monitoring and/or reporting for total coliform. Therefore, Respondent has failed to comply with the requirements under 40 C.F.R. Part 141 Subpart Y and/or 40 C.F.R. § 141.31(a).

COUNT # 1
FAILURE TO MONITOR AND/OR REPORT FOR TOTAL COLIFORM

The allegations in paragraphs 17-30 in this CAFO are incorporated by reference.

31. On April 6, 2022, EPA issued an Administrative Order on Consent Docket Number SDWA-02-2022-8045, ("2022 AOC") to place the Respondent on an enforceable schedule to address violations associated with total coliform and nitrate monitoring and reporting (incurred during calendar years 2019 and 2020). Specifically, Respondent was required to submit to EPA and NJDEP, a plan listing measures that would be taken to address the total coliform and nitrate violations including steps that will be taken to ensure future compliance with total coliforms and nitrate monitoring and reporting requirements.
32. Respondent was required by the 2022 AOC and 40 C.F.R. § 141.854(f) to continue monthly monitoring for total coliforms until notified by EPA that it may return to routine monitoring.
33. Respondent was not notified by EPA or NJDEP that it could return to monthly monitoring for total coliforms.
34. Respondent failed to conduct and/or report the results of total coliform during the following months.
 - March 2023,
 - May 2023,
 - June 2023, and
 - November 2024.
35. Therefore, Respondent violated requirements under 40 C.F.R. Part 141 Subpart Y, and/or 40 C.F.R. § 141.31(a).

V. PAYMENT OF CIVIL PENALTY

36. In settlement of Complainant's claims for civil penalties for the violation alleged in this CAFO, Respondent agrees to pay a civil penalty in the amount of **ONE THOUSAND SIX HUNDRED THIRTEEN DOLLARS (\$1,613.00)**
