Section 6928(a)

MOTION TO CONFORM THE HEARING TRANSCRIPT

An administrative hearing in the above-captioned matter was held from March 20, 2012 through March 24, 2012 in Roanoke, Virginia. A five volume transcript of the testimony given during that hearing was received by the EPA Region III Regional Hearing Clerk on April 19, 2012 and copies of the transcript were sent to the parties' counsel and to the Court on April 23, 2012. On May 10, 2012, the Court issued a Post-Hearing Scheduling Order ("Order"). The Order provided that upon review, and pursuant to 40 C.F.R. § 22.25, any party could file a motion to conform the transcript to the actual hearing testimony by May, 25, 2012.

40 C.F.R. § 22.25 provides, in relevant part, that the testimony in an administrative hearing conducted pursuant to the Consolidated Rules of Practice "shall be transcribed verbatim." Pursuant to this Court's Order and the provisions of 40 C.F.R. § 22.25, Complainant seeks to ensure that the record in the above-captioned matter contains a "verbatim" transcript of the testimony provided during the administrative hearing held in this proceeding. Therefore, Complainant respectfully moves to conform the transcript to the actual testimony given during such hearing in the manner, and in each of the respects, set forth below.
