

4. On March 23, 2010, the Presiding Officer was designated in this matter, and on March 25, 2010, the Prehearing Order was issued. The Prehearing Order directed the parties to engage in settlement negotiations and for Complainant to file a status report on April 12, 2010. Settlement negotiations did not occur, as described in the Status Report filed in this matter.

5. Rule 22.16(b) provides that the Presiding Officer may set a shorter or longer time for response or reply, or make other orders concerning the disposition of motions. The Prehearing Order provides that "Any Responses by Complainant to the pending Motion to Dismiss and Motion for a More Definite Statement shall be filed separately from the Prehearing Exchange in accordance with Section 22.5 and 22.16(b) of the Rules of Practice." The Prehearing Order also provides that "Motions and responses not filed in a timely manner will not be considered without motion for leave to file the document and a showing of good cause."

6. Good cause for leave to file Complainant's Response to the Motion to Dismiss and Motion for a More Definite Statement exists because prior to the Status Report due date of April 12, 2010, filing the Complainant's Response would have in Complainant's opinion hindered potential negotiations for settlement.

7. Allowing the Complainant's Response at this time will allow sufficient time to permit the filing of a movant's response by Respondent and issuance of a ruling on the Motions before any relevant deadline set by the Prehearing Order.

8. Counsel for Complainant has contacted Counsel for Respondent, who has no objection to the extension of time for filing this Motion for Leave to file.

Respectfully submitted,

Robert W. Richards, Attorney
Office of Regional Counsel
