Dear Tina Artemis:

Re: Administrative Penalty Complaint

I am requesting an extension of time on our Administrative Order Docket No. CAA-08-2010-0023 item # 33. After discussion these past few weeks with Mr. David Cobb, we have been unable to set up a suitable time for all parties to set up a conference to identify and discuss your findings during an EPA inspection at Allied Agronomy's facility on May 11, 2010 in Gackle, North Dakota. I talked to Marc Weiner and he concurs with my request of a 60 day extension of time till January 11, 2011.

Sincerely,
