Re: In the Matter of Lawrence Germann
Docket No. CWA-08-2009-0001
Restoration Plan Extension

Dear Mr. Germann:

This letter confirms the United States Environmental Protection Agency's (EPA) approval of your request for an extension of time to file a restoration plan. Specifically, EPA is granting a 45-day extension to the restoration plan required by the Findings of Violation and Administrative Order on Compliance, dated December 9, 2008. In accordance with this letter, please submit your plan on or before April 13, 2009.

This extension is based on good cause shown, including your submittal of an initial restoration plan within the prescribed time period. Following your discussion with Monica Heimdal of February 25, 2009, EPA understands that you plan to contract with a different wetland consultant for the purpose of preparing an alternative restoration plan.

Please contact me at (303) 312-6906 if you have any questions.

Sincerely,

Amy Swanson, Attorney
Office of Enforcement, Compliance and
Environmental Justice
