UNOPPOSED STATUS REPORT

The Environmental Protection Agency Region 6 (Complainant) submits this statement with respect to the status of this matter.

The parties are in active settlement negotiations and have included the Pueblo of Isleta. The Pueblo had filed a Motion for Leave to Intervene on June 27, 2023. All the parties want to include a Supplemental Environmental Project (SEP) which would benefit the Pueblo. The attorneys have had rounds of regular calls to discuss SEP ideas. Several detailed SEPs were discussed amongst the attorneys, but eventually were rejected by management. At this point, the attorneys have two proposed SEPs, but they will not be able to discuss the SEPS with management until early January. The parties kindly request an extension of time until March 25, 2024.

Respondent has reviewed this statement and is not opposed to its contents.

Respectfully submitted,

Ellen Chang
