Dear Mr. Mills:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order (Order), Docket No. SDWA-08-2011-0053, issued to the West End Water District (District) on July 25, 2011. The EPA has determined that the District has complied with the terms of the Order and therefore we will close the Order at this time.

Please be aware that the District is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

If you have any questions about this matter, please call Mario Mérida at 303-312-6297. We thank the District for resolving these issues.

Sincerely,

Kimberly Pardue-Welch, Team Leader
